DMSC Sailing Course Syllabus

Introductory Sailing Lessons

Eight sessions

The Introductory Sailing course consists of eight, two-hour sessions in which the student will complete:

1. Wind direction
2. Physical coordination in boat
3. Steering the boat
4. Luffing and filling the sails
5. Points of sail and sail trim
6. Tacking and jibing
7. Man overboard and capsizing
8. Docking

The courses are offered on weekends (Friday and Saturday) from 10 am to 12 noon.

Afternoon classes will be offered, from 1 pm to 3 pm.

Special schedule arrangements can be made by special request.

1500LE per person

Course cost includes boat use and admission to the center facilities and beach.

An examination must be passed after the course to determine the level of the student and whether they can apply for skipper membership.
